EOS INTERNATIONAL RETURNS TO ALA CONFERENCE AFTER SEVERAL YEARS WITH A NEW ACADEMIC SOLUTION

After a several year hiatus, EOS is again participating in this year's ALA Conference in Washington DC and demonstrating its new EOS.Web Academic solution for small colleges and universities.

(Carlsbad, CA – June 3, 2010) EOS International is proud to announce the release of EOS.Web Academic 2.0, the absolute best value for small colleges in the industry today. Standard EOS.Web Academic features include:

- Cataloging
- Circulation
- Serials
- Acquisition
- Web OPAC
- Z39.50 Server
- Inter-Library Loan
- Course Reserves
- KnowledgeBuilder
- Media Bookings
- Reference Tracking
- SIP2/3M SelfCheck
- Indexer
- IP Authentication
- E-Content Mgt.
- E-Resource Mgt.
- Classification Mgt.
- ReportWriter
- and much more!

This feature-rich ILS solution is available at a very economical price point for academic institutions. Many academic institutions have already licensed EOS.Web Academic with many new clients signing up each month. Current EOS.Web Academic clients include:

- Charleston Law School
- East Durham College
- La Joya ISD
- Colby College
- Brooks Institute
- Phillips Institute
- Silicon Valley Univ.
- Clarion University
- Capital College
- Byzantine Seminary
- Manhattan Christian
- American College
- Hartford Seminary
- Northland Pioneer
- Instituto Mexicano
- Centro Colombo
- Camden County
- Instituto Peruano

“This latest version of EOS.Web Academic is the best combination of academic library features and price available in the market today.” says Salvatore Provenza, Vice President of Global Sales and Marketing. “We are very excited about this new version of the solution and I am sure academic institutions will absolutely love it!”

About EOS International

EOS International is a leading world-class library information and knowledge management software and services provider with an impressive client base of libraries across the globe. EOS International is a client-driven company that has earned the top customer satisfaction award for the past three years and earned a nomination for the Computerworld Smithsonian award. EOS library automation software products (EOS.Web Express, EOS.Web Enterprise, EOS.Web Academic, and the SaaS e-Library Service) serve the stringent knowledge and content management needs of corporate, legal, medical, government, and academic libraries of all sizes. EOS International can be found online at <http://www.eosintl.com>.
