EOS INTERNATIONAL ANNOUNCES NEW EUROPEAN CLIENTS IN 2011

The leading provider of library automation announces newest clients who chose EOS.Web

(Carlsbad, CA – September 19, 2011) EOS International, a leader in cloud computing library automation, proudly welcomes new European clients. EOS continues to expand its product and service distribution in several markets including Museums, Law Firms, Corporations and Academic institutions.

Salvatore Provenza, Vice President of Global Sales & Marketing, stated, “We are seeing a rise in system sales in Europe and EOS is proud of its sales accomplishments. Our cost-effective digital library software is designed to meet the ever-growing and changing technology needs of libraries across many markets and regions.”

Below is a partial list of new EOS clients in Europe:

- Museum of London
- British Telecom
- International University of Monaco
- Freeth Cartwright LLP
- Ganado & Associates (Malta)
- Guildford Institute
- Metanoia Institute

About EOS International

EOS International is a leading world-class library information and knowledge management software and services provider with an impressive client base of libraries across the globe. EOS International is a client-driven company that has earned the top customer satisfaction award for the past three years and earned a nomination for the Computerworld Smithsonian award. EOS library automation software products (EOS.Web Express, EOS.Web Enterprise, EOS.Web Academic, and the SaaS e-Library Service) serve the stringent knowledge and content management needs of corporate, legal, medical, government, and academic libraries of all sizes. EOS International can be found online at <http://www.eosintl.com>.
