EOS International Serves Many Fortune 500 With Cost-effective Cloud-Based Software

(Carlsbad, CA – November 10, 2011) EOS International continues to lead in providing library automation and knowledge management services to many Fortune 500 companies. These companies are the best in their respective fields and use the best software on the market to efficiently manage large and complex databases of information that is critical to their ongoing success. EOS.Web provides the tools to enable information specialists and librarians to meet the complex and diverse informational needs of thousands of information-hungry people throughout the world.

Some EOS Fortune 500 clients include:

- Alcoa
- CBS News
- Fluor
- Freddie Mac
- General Dynamics
- Goodyear Tire & Rubber
- Honeywell International
- Johnson & Johnson
- Weyerhaeuser
- Lockheed Martin
- McDonald's
- Fox Networks
- Northrop Grumman
- Pacific Gas & Electric
- St. Jude Medical

Marlene Vogelsang, Resource Specialist at Pacific Gas & Electric states, “As a solo librarian, I appreciate the ease of using EOS.Web. My Account Manager is great and Customer Support continues to provide assistance when necessary. EOS works for me!”
