## **EOS International to Host its First New York Seminar and Client Reception**

*EOS will host two events this year at Debevoise & Plimpton LLP in New York City*

**(Carlsbad, CA – March 21, 2011)** EOS International, a leader in library automation and cloud computing, announced that it will host two events, taking place in New York City, NY on April 14, 2011 at Debevoise & Plimpton LLP. EOS will host a Luncheon Seminar for potential clients interested in learning more about EOS International, its products and services, followed by a Reception for current EOS clients.

Vice President of Global Sales and Marketing, Salvatore Provenza states, "Our presence in the New York area provides us the opportunity to personally demonstrate our latest enhancements for our valued clients and to show prospects the amazing benefits of becoming an EOS client!"

The EOS International Luncheon Seminar will take place on April 14, 2011 from 12:00pm-1:30pm in Conference Room 35A of Debevoise & Plimpton LLP. This event is designed for individuals interested in learning more about EOS International and the products and services it has to offer. Steve Lastres, Director of Library & Knowledge Management at Debevoise & Plimpton LLP will be the featured guest speaker at EOS's Luncheon Seminar. Steve will share and discuss how he uses EOS.Web to serve the information needs of over 700 attorneys and associates.

Following the Seminar, EOS will host a Client Reception specifically for clients to meet for an afternoon of refreshments and discussions about the latest enhancements to their EOS products, as well as how EOS is helping to improve their library's capabilities. This will be held from 5:00pm-6:30pm in Conference Room 35F of Debevoise & Plimpton LLP.
