EOS International Exhibits at the 2011 Special Libraries Association San Diego Chapter Fall Seminar

(Carlsbad, CA – October 3, 2011) EOS International, a leader in library automation and cloud-computing, announced that it will exhibit at the 2011 Special Libraries Association San Diego Chapter Fall Seminar where conference attendees can meet with an EOS representative for a one-on-one discussion about the latest developments in library automation and knowledge management technology.

The annual professional development seminar is to be held Friday, October 14, 2011, at Marina Village in San Diego, CA from 8:00am to 4:00pm. The 2011 theme is “The Future-Ready Information Professional: Adding Value through Agility, Innovation, and Collaboration”.

Vice President of Global Sales and Marketing, Salvatore Provenza states, “Our presence at SLA-SD provides us the opportunity to personally demonstrate our latest enhancements for our valued clients and to show prospects the amazing benefits of becoming an EOS client!”
